D.L. Smith Construction has been a leader in custom home construction throughout Williamson & Davidson Counties since the company's inception in 1994. Synonymous with style, comfort and beauty, a custom home by D.L. Smith Construction is built to the highest standards. With an unparalleled attention to detail, quality materials, fine craftsmanship and honesty, we create well built homes that enhance your lifestyle.

We offer clients a blend of high-value services including architectural design and consultation, project management and contracting, and assistance in selecting high-quality materials. It is our commitment to make the homebuilding process not only enjoyable and fulfilling for the owners, but also consistent with our efforts to create homes where our customers can build their lives.
